

ACIIDS 2009-2021 Bibliometrics

as of December 1, 2021

Proceedings of the Asian Conference on Intelligent Information and Database Systems (ACIIDS) are published within three Springer's series: Lecture Notes in Artificial Intelligence (LNAI), Communications in Computer and Information Science (CCIS) and Studies in Computational Intelligence (SCI).

Up to date we have published 35 volumes of Springer Proceedings including **1,929 papers** in total. As stated in the Springer Bookmetrix of December 1, 2021 the total number of paper downloads is over than **2.7 million**.

Detailed download and citation data are shown in the following tables.

Conference metrics

Proceedings	Volume	Chapter downloads (since online publication until December 1, 2021)
