Objectives and topics

The 13th MISSI Conference is organized in 2022 as a satellite workshop at the 14th Asian Conference on Intelligent Information and Database Systems – ACIIDS 2022. The aim of the MISSI Workshop 2022 is to provide widely acclaimed researchers the opportunity to present and to discuss theoretical and practical aspects of their work in the field of Multimedia and Network Systems. We want to offer an opportunity for researchers and practitioners to identify new promising research directions, exchange ideas, opinions and experiences, present current research results, stimulate new solutions as well as to publish recent advances in this area. The scope of the MISSI 2022 includes, but is not limited to the following topics:

- Multimedia Systems: Visual Information, Virtual and Augmented Reality
- Image and Video Compression
- Motion Tracking
- Surveillance Video Analysis
- Gesture and Emotion Recognition
- Multimedia Systems: Speech, Audio, and Voice Interactions
- Web Systems and Network Technologies
- Internet Information Retrieval
- Internet of Things
- Mobile Multimedia Applications
- Multilingual Processing
- Multilingual Web Retrieval
- Multimedia Broadcasting
- Multimedia Databases
- Multimedia Indexing and Retrieval
- Multimedia on the Web
- Multimodal Biometrics
- Multimodal Information Fusion
- Natural Language Processing
- Video Games

Submissions

All contributions should be original and not published elsewhere or intended to be published during the review period. Authors are invited to submit their papers electronically in pdf format, through EasyChair. All the special sessions and workshops are centralized as tracks in the same conference management system as the regular papers. Therefore, to submit a paper please activate the following link and select the track: **MISSI 2022: Multimedia and Network Information Systems**.

<https://easychair.org/conferences/?conf=aciids2022>

Authors are invited to submit original previously unpublished research papers written in English, of up to 13 pages, strictly following the LNCS/LNAI format guidelines. Authors can download the Latex (recommended) or Word templates available at [Springer's web site](#). Submissions not following the format guidelines will be rejected without review. To ensure high quality, all papers will be thoroughly reviewed by the MISSI 2022 Program Committee. All accepted papers must be presented by one of the authors who must register for the conference and pay the fee. The conference proceedings will be published by Springer in the prestigious series LNCS/LNAI (indexed by ISI CPCI-S, included in ISI Web of Science, EI, ACM Digital Library, dblp, Google Scholar, Scopus, etc.).

The proceedings of MISSI 2022 will be published within the proceedings of ACIIDS 2022.
